Liverpool's Royal Court

Liverpool's Royal Court Theatre has been producing high-quality, accessible theatre for over 18 years. We present real Liverpool lives on stage and celebrate all that is good about Liverpool's rich culture. We became an Arts Council National Portfolio Organisation in 2018. The theatre is one of the largest producing theatres in the North of England and we are proud to be recognised as successfully engaging non-theatre audiences and participants from some of the most deprived social and economic areas of the UK.

Mission

To entertain, educate and uplift people by creating an environment that makes theatre accessible to all and enriches Liverpool's vibrant cultural life.

Vision

That the theatre is a space where everyone, regardless of background or experience with the arts, feels welcomed and inspired. Our stage is a platform for innovation, creativity and collaboration and we strive to nurture the next generation of artists and audiences alike.

Belief

That the theatre speaks to the experiences and aspirations of the people of Liverpool and is dedicated to representing the city's vibrant culture and heritage.
